

## IFHE Council Meeting 1990

### Resolution

#### Family Education and Training

**BE IT RESOLVED:** that:

- a.) The IFHE urge governments to place the highest priority on the needs and services of families to ensure their well-being,
- b.) Greater material and human resources be allocated to support family education training and programmes,
- c.) The IFHE participate in influencing the governments and creating an awareness of the importance of providing resources for the education, health, and family well-being of all members of our community. (Originally submitted at Minneapolis Congress; proposed again and ratified in Melbourne Council Meeting)
