**Global Recognition of
Home Economics
and
Benefits for
Home Economists**

GLOBAL RECOGNITION OF HOME ECONOMICS

The International Federation for Home Economics (IFHE), is an International Non-Governmental Organisation (INGO), having consultative status with the United Nations (ECOSOC, FAO, UNESCO, UNICEF) and with the Council of Europe. Based on its relation to the UN and global partners, IFHE with its Home Economics experts is in a position

- to promote global recognition of Home Economics in UN Committees, (Family, Ageing, Food Security, Children, Women etc.)
- to present Home Economics knowledge and aspects in relevant oral or online discussions at the United Nations, (ECOSOC, FAO, UNESCO),
- to present oral or written statements,
- to participate at UN Conferences and Meetings,
- to cooperate with global partners as well as in the diverse committees of the networks of International Non-Governmental Organisations.

Benefits for IFHE Members

Experts working in the different fields of Home Economics, in the academic arena, different fields of education, in the public services, as freelancers in business or industry cooperate in the International Federation for Home Economics (IFHE):

- to exchange information and experiences
 - in IFHE Programme Committees
 - at IFHE International Symposia
 - at IFHE World Congresses,
- to contribute to IFHE publications, symposia, conferences, international projects and activities as author, speaker, expert, researcher, networker or in organising committees,
- to have access to all IFHE information sources such as
 - Website "Home Economics"
 - International Journal of Home Economics (E-Journal IJHE)
 - IFHE Special Publications
 - IFHE Newsletters.
- to represent IFHE at regional or world conferences the UN and UN Agencies, and global partners,
- to gain experiences in IFHE Committees and IFHE Statutory Bodies.
